FOREST STEWARDSHIP COUNCIL (FSC)

The Forest Stewardship Council (FSC) is an international organization that brings people together to find solutions which promote responsible stewardship of the world's forests.

- FSC is a stakeholder owned system for promoting responsible management of the world's forests.
- Through consultative processes, it sets international standards for responsible forest management.
- It accredits independent third party organizations who can certify forest managers and forest product producers to FSC standards.
- Its trademark provides international recognition to organizations that support the growth of responsible forest management.
- Its product label allows consumers worldwide to recognize products that support the growth of responsible forest management worldwide.
- FSC undertakes marketing programs and information services that contribute to the mission of promoting responsible forestry worldwide.

BKB was awarded FSC in the year 2002 with the **FSC No: SCS-COC-00489** which is under the category of manufacturer of minimum 70% FSC certified 3-layered parquet.
